

Declaration of Conformity - chemical substances

Page 1 of 1

We declare under our own responsibility that our products, if relevant, are in conformity with the following directive;

RoHS (Restriction of the use of certain Hazardous Substances) is the directive on the restriction of use of certain hazardous substances in electrical and electronic equipment.

We ensure that substances such as lead (Pb), mercury (Hg), cadmium (Cd), Hexavalent Chromium (Cr (VI)), Polybrominated Biphenyls (PBB), and Polybrominated Diphenyl Ethers (PBDEs), if relevant, are not above the specified concentration in our products.

REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) is the European Chemicals Regulation to improve the protection of human health and the environment from Chemical Hazards.

Our products are in conformity with REACH, and have no chemical substances according to the outlined candidates list (defined as SVHC – Substances of Very High Concern), with a concentration over 0,1%. The products do not contain Hazardous substances in textiles such as Phthalates and Azo-dyers. Packaging materials do not contain PVC.

Candidate list: <http://echa.europa.eu/en/web/guest/candidate-list-table>

In order to ensure our customers the continual supply of reliable and safe products, we ensure that our suppliers fulfil all requirements regarding chemical substances and prepared materials.
